"We empower children and adults with developmental disabilities to lead rich, active and self-directed lives."

Do you have 3 to 20 hours per week to make a difference in someone's life and have a rewarding part-time job?

Do you know someone with developmental disability or autism? Do you work in the field or are you interested in doing this work? Are you motivated to help others develop their potential, become more independent, and lead rich self-directed lives? If so, GMPI has a job opportunity for you!

Greater Marlboro Programs Inc., a non-profit agency, serves people with developmental disabilities, autism and has been doing so for over 40 years in Marlboro and surrounding cities and towns. Our INDIVIDUAL SUPPORT WORKERS AND RESPITE WORKERS assist individuals as needed in the development of daily living skills, social skills, community orientation and integration, etc. They also escort people to preferred social and recreational activities, as well as to some medical and clinical appointments.

We are looking for compassionate, dedicated people to fill these employment opportunities which are available in Hudson, Marlboro, Northboro, Southboro, Westboro, Sudbury, Wayland, Natick, Framingham, Ashland and other surrounding cities and towns.

If interested in applying, please contact Greater Marlboro Programs Inc. at: Fagan.Bill@gmpinc.org or call 508-485-4227 extension 1004. You can also access an employment application on line at: www.gmpinc.org
